

Career Mentoring Workshop

Sponsored by
Computing Research Association (CRA) and SIGCSE

Wednesday, February 29, 2012
Co-located with SIGCSE 2012, Raleigh, NC

The goal of the Career Mentoring Workshop is to provide critical mentoring information for instructors, pre-tenure faculty and graduate students in Computer Science and Engineering who are interested in an academic career. The day-long workshop, to be held on Wednesday, February 29, will be co-located with the SIGCSE 2012 conference in Raleigh.

Tentative topics will include: Mentoring, Teaching Strategies, Getting Started with Research / Finding Funding / Research with Undergraduates, Promotion and Tenure, Time Management, and Balancing Priorities (i.e., teaching vs. research vs. service).

Workshop participants must commit to attending the complete workshop on February 29 from 8am-5pm and are encouraged to attend all of the SIGCSE 2012 conference.

For more information about the workshop, contact Susan Rodger (rodger@cs.duke.edu) or Sheila Castaneda (sheila.castaneda@clarke.edu) or Dave Reed (DaveReed@creighton.edu).

**The workshop is by invitation only
after completing and submitting the following application.**

Application to Attend Workshop

Applicants should furnish the information stated below and send it electronically to Susan Rodger, using the email address given.

1. Name
2. Position (instructor, assistant professor, graduate student, etc.)
3. Academic institution, address
4. Email address
5. Dates of any previous CRA-sponsored workshops
6. To apply for financial support include detailed information about:
 - Estimated cost of attending the Workshop
 - Estimated cost of also attending the SIGCSE 2012 conference
 - Maximum funding support you will be able to receive from your home institution or other grants to attend the workshop and/or the SIGCSE conference [NOTE: faculty members are strongly encouraged to pursue funding from their institutions when possible]
7. Number of days that you will stay and attend the SIGCSE 2012 conference

8. Two to three paragraphs explaining what you see as the benefits of attending this workshop for both yourself and your institution. In particular, please address the workshop's goal of advancing career development in academics, specifically related to undergraduate education.

**Email your completed application to
rodger@cs.duke.edu with the subject "CRA Workshop SIGCSE"**

Selection Criteria to Attend Workshop

The three main criteria used to determine who will be awarded financial support to attend the workshop are:

1. Applicant's contribution to the workshop's goal of advancing career development in academics, specifically related to undergraduate education and broadening participation in computing.
2. Financial need of applicant.
3. Maximizing the number of participants at the workshop.

Two secondary criteria include

4. Applicant has not attended one of these kinds of workshops in the past five years.
5. Applicant would be able to stay and attend all of SIGCSE 2012.

Financial support will cover expenses, up to a maximum of \$900, related to

- travel (airfare and ground transportation)
- Career Mentoring Workshop registration
- hotel accommodations
- SIGCSE 2012 registration
- NOTE: other SIGCSE workshops will NOT be funded
